## COURSE DESCRIPTION

This annual symposium addresses topics of interest to physicians and surgeons who care for patients with foot and ankle disorders. The topics of the 2018 *Advancements in Foot and Ankle Surgery* will cover all aspects of the latest advancements in foot and ankle surgery. There will also be a special focus on diabetic foot and ankle conditions. A distinguished faculty has been assembled for the symposium which is designed to update the attendee on innovation and new strategies. Ten didactic lectures and four pre-conference workshops will be given to encompass the topics. This year we are very excited to have the first affiliation between the Orange County Podiatric Medical Association and the Keck School of Medicine of USC. We look forward to an incredible learning experience for all in attendance.

## EDUCATIONAL OBJECTIVES

By the end of the course, participants will be able to:

- Identify the risk factors involved in foot and ankle surgery.
- List risk factors involved with diabetic foot ulceration and amputation.
- Describe indications for foot and ankle surgery.
- State global changes in the approach to foot and ankle disorders/conditions.

## TARGET AUDIENCE

This course is intended for foot and ankle surgeons, vascular surgeons, plastic surgeons, physical therapists, infectious disease specialists, general practitioners and endocrinologists and other allied healthcare professionals seeking to enhance their understanding of the foot and ankle and treatment options in order to select the optimal management for their patients.

### Accreditation Statement

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### Credit Designation

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 7.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
